WINTER

CREATURES

Polar bears, arctic foxes and penguins all live in the coldest parts of the world. We will draw them in the museum and then use these sketches to make prints, paintings and sculptures in the studio

COST £120

Easter Art School

15th - 18th April

CATS & DOGS

Do you have a dog or a cat at home? Artists have often drawn and painted their pets. We will draw in the museum and have cats and dogs visit us in the studio to have their portraits drawn. Then we will print, sculpt and paint from these studies.

COST £160

Summer Art Schools

15th - 19th July

AFRICAN ANIMALS

Elephants, lions and giraffes are some of the amazing animals that come from Africa. We will draw African animals at the zoo and in the museum. In the studio we will paint, sculpt, print and make books from our sketches

COST £200

Summer Art Schools

22nd - 24th July

THE ART OF THE CIRCUS

What is your favourite part of the circus...acrobats on horseback, tightrope walkers, the clowns? We will draw animals and circus performers in the studio and on location and use the sketches to make prints and paintings.

COST £120

This course is suitable for all ages but might interest older children wanting to develop an art project through this theme.
